

Independent/Supplementary Prescribing Course Application Form 2023-24 FOR REGISTERED ACP / CLINICAL PHARMACY STUDENTS

This form must be completed as part of the application process to ensure that applicants meet the criteria for appropriate governance of a prescribing role.

Applicants should be aware that they may need to meet their employing organisation's own criteria in advance of submission of an application. Applicants are advised to contact the Non-Medical Prescribing Leads within their organisation to discuss their application in order that they can plan any support required to facilitate their training.

Self-employed applicants must have a service provider sponsor for the duration of this course, who can be a registered GP federation, GP practice, Out of Hours organisation or Care Home and must be regulated by a healthcare regulator (CQC, HIS, HIW). They should complete section 6 of this form. If you are self-employed, you must also submit a reference confirming post-registration experience in a patient orientated setting. See 'Completing the Online Application Form' below for more information.

GPhC/PSNI applicants: You must complete Sections 1, 2, 5, 6, 7a, 8 of this form **NMC** applicants: You must complete Sections 1, 3, 5, 6, 7a, 7b, 8 of this form **HCPC** applicants: You must complete Sections 1, 4, 5, 6, 7a,8 of this form

All applicants must ensure that the University of Exeter IP SP Educational Audit Tool has been completed within the last 12 months for the organisation providing their supervised practice placement. A copy of the completed audit tool must be submitted with your application.

As you are currently registered on a University of Exeter Clinical Pharmacy or Advanced Clinical Practice postgraduate programme, please complete and email this form to: info.stlukes@exeter.ac.uk

If you are **not** registered on a University of Exeter Clinical Pharmacy or Advanced Clinical Practice programme, **you will need to** apply online using this link and via a different form here:

Completing the Application Form for registered University of Exeter ACP and Clinical Pharmacy students:

Personal details

When completing this section please be sure to provide a daytime contact number and email address you check regularly to help us to contact you quickly.

Your education

As you are applying to join an award-bearing course, please provide a scanned copy of your transcript or degree certificate.

Professional experience

You will need to have appropriate patient-orientated experience in a UK hospital, community or primary care setting following your qualification. The duration of this depends on your profession and is stated in the application form above.

English Language proficiency

If your first language is not English, then you will need to complete this section and provide details of your performance in the IELTS tests.

In addition, Health & Justice and non-NHSE programme care home pharmacists to provide:

Copy of HEE confirmation of funding email

Personal statement

Please indicate, in at least 250 words, why you want to undertake this postgraduate course, the benefits it will bring to the services you deliver and how the learning will benefit your own professional practice. Please also confirm the number of hours you work each week in a patient facing role and your clinical area of interest as described above.

Referees

We do not require formal references, unless you are self-employed, as this form incorporates declaration of your employer's support. If you are self-employed, we require you to submit a reference to confirm that you have appropriate post-registration experience in a patient orientated setting. GPhC and NMC applicants must confirm a minimum of 2 years post-registration experience. HCPC applicants (except paramedics) must confirm a minimum of 3 years post-registration experience; paramedics must confirm a minimum of 5 years post-registration experience. The reference must be written by a registered health care professional who has worked alongside the applicant or a workplace manager who understands the applicant's current job role and experience.

Disability Support

We welcome applications from people with disabilities and/or long-term health conditions and consider their applications on the same academic basis as those from other applicants. If you have a disability/long term health condition, you are strongly encouraged to contact the Wellbeing and AccessAbility Team on 0300 555 0444 or email wellbeing@exeter.ac.uk or accessability@exeter.ac.uk

Declaration

Please complete this mandatory declaration and submit your application.

What happens next...

All applicants will be notified of the decision of the University as soon as possible in advance of the start of the course. All course entry requirements must be met for you to be considered for a place on the programme. If the demand for places is greater than the number of places available, then the admissions panel will review applications following agreed selection criteria.

Admissions for nominees working/planning to work in the NHS

If you are working in or plan to work in the NHS, we follow the NHS Values Based Recruitment Guidance. We strongly believe in the NHS values and will be looking for them in our applicants and patient representatives.

Read the NHS Constitution at https://www.gov.uk/government/publications/the-nhs-constitution-for-england/the-nhs-constitution-for-england
